

**SnakeSafe Snake Gaiters give you the protection that you need when you are spending time in the bush, long grass or anywhere where snakes are lurking.**

Rigorously tested by one of Australia's leading herpetologists, Living with Wildlife, these gaiters have proven their performance. All venomous snakes of Australia tried to bite through this protection – none succeeded. SnakeSafe gaiters offer peace of mind to all farmers, outdoor workers and nature enthusiasts.

**SnakeSafe. Proven Protection. Australia's Classic Snake Gaiter.**

**FEATURES:**

- 4 layer, super-tightly woven penetration resistant fabric gives you protection you can trust.
- Coverage from the knee to the ankle (16 inches).
- Water resistant outer made from a tough 600 denier nylon.
- Rugged no rust zipper fastens from the top to the bottom, making them easy to get on.
- Tough, elastic strap with custom developed lace hook to keep the SnakeSafe gaiter in position (the weight of the gaiter will hold it in the correct position but the strap and lace hook provide extra control).
- Ideal for recreational or professional use.

| Size (Inches)  | S       | M       | L       | XL    |
|--|---------|---------|---------|-------|
| <b>Calf circumference (Person)<br/>(measured at fullest point)</b> | 12.5-14 | 14-15.5 | 15.5-17 | 17-19 |
| <b>Actual girth of gaiters</b>                                     | 18      | 19.5    | 21      | 22.5  |

*These gaiters are designed to be worn over the top of outer clothing so there is a certain amount of 'looseness' built into the design.*

**ORDERING CODE:** SSG31

*Designed and made in Invercargill, New Zealand*
